Commissioner of Patents and Trademarks  
Washington, D. C. 20231

DECLARATION

Dear Sir:

I, GIDEON GOLDSTEIN, declare the following:  
THAT I am a citizen of the United States of America;  
THAT I am one of the inventors of the invention  
claimed in the subject Patent Application;  
THAT I am an employee of Ortho Pharmaceutical  
Corporation, Raritan, New Jersey, and currently hold the  
position of Executive Director, Immunobiology Division, with  
this corporation;  
THAT a culture of the hybridoma disclosed and  
claimed in the subject application has been deposited with  
the American Type Culture Collection to assure permanent  
availability of the culture to the public;  
THAT access to this culture will be available  
during pendency of the subject Patent Application to one  
determined by the Commissioner to be entitled thereto under  
35 CFR 1.14 and 35 U.S.C. 122;  
THAT all restrictions on the availability to the

EXHIBIT B

74

public of the culture will be irrevocably removed upon the granting of the patent;

THAT the culture deposit will be maintained by the American Type Culture Collection throughout the term of any patent which may issue from the subject Patent Application.

THAT I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issuing thereon.

Gideon Goldstein
